

Dishmachine

LEASE OPTIONS

InnoServ™ offers equipment and lease options that can provide a real solution for your business.

Our innovative approach offers:

- **Reduced risk** of downtime in your operation
- **Matching the right solutions** with your operational goals and needs
- **Building confidence** with consumers in the areas of health, safety and cleanliness

LEASE PROGRAMS

1

Revolving Lease

The dish machine will remain the property of InnoServ for the entire contract term. There is no charge for parts or labor.

2

Purchase Lease

Fifty percent of your monthly payment is applied to the purchase price of the dishmachine. The unit is purchased at the end of the contract. There is no charge for parts or labor during lease period. Once the machine is purchased, parts and labor will become your responsibility.

- **Over 50 years of experience** in environmental cleaning and beverage service
- **Personalized solutions** tailored to your business
- **24/7 accessibility** to be there for you right when you need us
